And that's why we sell them, our trade is the most critical in Madison county, and must have the best.

A Kenton Suits fits when you put it on, and it keeps on fitting. The

shoulders keep their perfect form---the collars still set well around the neck---the fronts and lapels hold the shape put into them by careful conscientious tailoring; and the fabric, be it worsted, cheviot or serge, retains its freshness because of its superior quality.

Spring Suits are ready in a profusion of beautiful patterns and styles. Browns and Tans, Blues and Grays in every conceivable combination of attractive colorings. Many of these suits come only one suit of a kind, for men who want something different from other men.

We would suggest early buying for choice selections.

Lower Prices on

Hanan Shoes

We have decided to sell all Hanan Low Cuts and all plain leather high shoes at Five Dollars, instead of Five Fifty. The low cuts come in all leathers, including the linest Patent Calf and Kid; the high shoes come only in plain leathers, such as fine vici kid, gun metal, etc. The high shoes in patent are Six Dollars. These prices are Fifty Cents and a Dollar a pair lower than Lexington, Louisville and Cincinnati, and we believe our sales will be more than double in volume by this reduction.

We ask you carefully to compare Hanan Shoes with any other makes, and see the difference --- note the finer material and exquisite workmanship---wear a pair and see how they keep their shape and good looks -- and you will believe as we believe that "They Are The Finest Made For Men."
